· Thank you very much for your interest in Master Mike's 20th Annual Summer Camp. Over the years, this camp has grown in both size and popularity and it is open to beginners and advanced students alike. Younger students will be introduced to Tae Kwon Do and its many foot and hand techniques. Older students will learn self-defense and their practical applications for real life encounters.

· Students will need to bring a sack lunch and drink everyday except for Friday. We will provide coolers for lunch storage and ice water for the kids. Students need to dress comfortably as the weather dictates.

· We usually attend Sahn Water Park on Wednesdays and students will need to bring a swimsuit and towel on our tentative swimming day.

· Friday is another special day because we will have a pizza party to celebrate the end of a successful week at summer camp. Friday will also be the day when a number of campers will be tested for their next belt level. **On Friday, all students must bring their doboks (uniforms) and belt.**

· A typical day for a camper would consist of intensive training in forms, sparring and self-defense techniques along with very personalized instruction in these areas.

(Sahn Water Park)

· We have also planned many other recreational activities such as water balloon fights, outdoor and indoor games as well as exciting children-oriented martial art movies and documentaries.

· We are looking forward to enriching your child's life with martial arts while also ensuring your child has a good time.
